LIST OF ATTORNEYS

Revised October 2009

The Consulate General cannot assume responsibility for the professional ability or integrity of the firms or persons whose names appear on the list. The firms and attorneys are arranged alphabetically for each city. The order in which they appear has no other significance.

Most of the law firms listed practice general law and handle collections. Most firms also have a Notary Public. Each attorney must be a member of the Law Society in the province where he/she is practicing. Membership in the Canadian Bar Association is not mandatory although many are members. There are no set fee schedules but each society does publish guidelines, which are available to the public; however, it is not mandatory for an attorney to follow these guidelines.

All attorneys licensed to practice in Alberta are also Notaries Public.

The initials “**Q.C.**” following an attorney’s name indicate that he/she has been given honorary recognition as a member of the Queen’s Counsel. This is in most cases granted by the Provincial Government only to attorneys with over ten year’s active practice.

Alberta, Manitoba, Saskatchewan, and the Northwest Territories have lawyer referral services, which are available to anyone, by contacting the respective **Law Society**.

THE OMBUDSMAN

Each province has a provincial Ombudsman who investigates complaints made by individuals concerning administrative decisions and acts of provincial government officials and agencies. Complaints to the Ombudsman must be in writing. An investigation is carried out privately and the complainant is informed of the results. The Ombudsman does not handle matters dealing with trial, conviction, and length of sentence, which must be dealt with through the courts by established appeal procedures.
